

Leverage AI in Novel Ways

Harness the Power of AI with Sheryle Gillihan

Ready to unlock the true potential of AI in your life and business? I'm Sheryle Gillihan, AI advocate and author of *Alchemy Ingredients*. Join me for an interactive, hands-on experience where you'll discover how to use AI for practical and positive impact.

My workshops and presentations are designed to help:

- Expand your perspective on AI's diverse possibilities.
- Offer practical tips on using AI in your daily routines.
- Explore free AI agents that support both personal and business growth.

With years of experience helping businesses harness tech for positive impact, I'm here to guide you through how AI can boost your productivity, creativity, and overall strategy. My workshops offer insights whether you're leading a team, running a business, or simply curious about what AI can do.

Virtual Presentation:

60-90 minutes

\$275

In-Person Workshop:

5-6 hours

\$2000 + travel

Why Choose Sheryle Gillihan?

AI Expertise: As owner and CEO of CauseLabs and an AI consultant, Sheryle brings years of experience in helping businesses optimize their digital strategies.

Hands-On Learning: Sheryle's workshops are practical, with real-world applications that can be tailored to your needs.

Trusted by Nonprofits & Businesses: From nonprofits to small businesses, Sheryle has helped organizations use emerging technologies like AI as a force for good.

What You'll Learn:

- How AI tools can enhance your daily productivity and business operations.
- Strategies to implement AI for creative problem-solving.
- How to get started with free AI tools and agents.

"Sheryle is an absolute AI Ninja. My session with her was very effective and helpful. I have employed her tools and strategies successfully. I highly recommend her!"

– Brian Varela, EO New Jersey
